

February 9, 2010

Dear Intermountain Section Member:

The 50th Annual Meeting of the ITE Intermountain Section will be May 20 - 22, 2010 at the Snow King Resort in Jackson, Wyoming. Yes, you read that correctly – this will be the 50th time Intermountain ITE members have gathered for an annual meeting! Since many of our members are required by their employers to present a paper in order to attend the meeting, we have chosen to develop the Thursday afternoon session around a group of regular submittals. This will also help us to free up some room in the agenda for special presentations related to the 50th Anniversary of the Intermountain Section. If you plan to attend this session, please indicate this on the enclosed meeting registration form. More details will be available on the Section website as soon as the meeting agenda is finalized, but **plan now to attend all three days of activities.**

This year, the Intermountain Section will be hosting a raffle to raise money for the Student Scholarship Fund. Tickets will be sold for \$5.00 each or 5 for \$20.00. Please remember to bring your checkbooks!

At the conclusion of the conference on Saturday, May 22, the Montana State University ITE Student Chapter will again be hosting their annual fund raising golf tournament. All you golf nuts plan on sticking around and enjoying a great afternoon of fun on a great course.

Please note this will be the only registration package mailed out. Registration and conference materials will be available online at <http://www.westernite.org/Sections/intermountain/index.html>, and an e-mail reminder will be sent out in March. Please make your arrangements early. Last year we had a great turnout at our meeting, and we anticipate an even bigger one this year. This meeting is a great opportunity to meet and exchange ideas with others in our profession. Also, vendors from around the region will display their products and provide product representatives to answer your questions.

Enclosed is information about registration, the special sessions, presentations, awards and the golf tournament. The Snow King is holding **110 rooms** for us until **April 1, 2010**. I encourage you to make your reservation now. The number for the Snow King is 1-800-522-KING. For more information, check their web site at <http://www.snowking.com/>. The quoted room rates are:

Single	\$105.00 plus tax/night
Double	\$115.00 plus tax/night
Triple	\$125.00 plus tax/night
Quad	\$135.00 plus tax/night
Condo Suite	\$150.00-\$375.00 plus tax/night

If you have any questions, please contact me or one of the other Section officers. I hope to see you in Jackson. Remember, no ties allowed!

Sincerely,

Joseph Tate, III, P.E., PTOE
President, Intermountain Section ITE

AWARDS COMPETITION

INTERMOUNTAIN SECTION INSTITUTE OF TRANSPORTATION ENGINEERS

JAMES L. PLINE AWARD

AWARDS COMPETITION

This competition was instituted in 1984 to recognize an Intermountain Section member who has significantly contributed to the transportation engineering profession in the outstanding manner of Jim Pline, the first recipient of this award. There is no monetary value connected with the award, but the recipient will receive a recognition plaque.

ELIGIBILITY

Competition is limited to members of the Intermountain Section of the Institute of Transportation Engineers.

JUDGING CRITERIA

Nominees will be judged by a Committee of past recipients based on their contributions to the transportation engineering profession. These may include but are not limited to:

1. Participation in the Intermountain Section and other councils and committees within the Institute of Transportation Engineers.
2. Participation in ITE activities on a District and National level outside the Intermountain Section.
3. Work and volunteerism in transportation engineering activities and other non-profit and humanitarian organizations.
4. Publication and presentation of transportation-related studies, projects and articles.

NOMINATIONS

Those wishing to submit a nomination must do so before the deadline of April 1, 2010. The nomination shall consist of no more than ten pages of narrative describing the nominee's contributions to the transportation engineering profession and other specific reasons for consideration of the nominee. Persons submitting a nomination shall include their address and phone number, as well as those of the nominee.

AWARDS COMPETITION

TRANSPORTATION ENGINEERING PROJECT OF THE YEAR

AWARDS COMPETITION

This competition was instituted in 1984 to recognize those agencies, firms or individuals who have visibly contributed to the transportation engineering profession through their work efforts. There is no monetary value connected with this award, which is given as congratulations for a "job well done".

ELIGIBILITY

The competition is limited to agencies, firms and individuals within the Intermountain Section of the Institute of Transportation Engineers for projects completed within the Intermountain Section states of Idaho, Montana, Nevada and Utah. The project may be of any type (study, design, or construction) or of any magnitude. Projects must have been completed after April 1, 2009 and prior to April 1, 2010. Design projects may be considered complete at a time just prior to construction or during construction.

JUDGING CRITERIA

Project submittals will be judged using the following criteria:

1. Use of sound engineering principles
2. Technical value to the transportation engineering profession
3. Originality and innovative applications
4. Social and environmental significance
5. Project complexity

No consideration will be given to the magnitude or dollar value of the project in the judging.

SUBMITTALS

Those wishing to submit a project for consideration must do so prior to the deadline date of April 1, 2010. The submittal shall consist of a narrative project description of not more than ten typewritten pages. It shall include the name of the agency, firm or individual; the name of the engineer in responsible charge of the project; project location and information necessary to judge the project based on the stated criteria. Reports or drawings may also be submitted if necessary to illustrate the nature of the project. Applicants are also encouraged to submit a technical paper about their project for presentation at the annual meeting.
