Yes No

Technical Activities:

University of Alaska Anchorage, School of Engineering Advisory Board

Alaska Section members continue to participate on the Civil Engineering Advisory Council. Members Anne Brooks, Stewart Osgood, Bob Kniefel and Richard Reich maintain active involvement bridging between engineering professionals and academics.

Coordinated Joint Meeting

Held a joint meeting with American Society of Civil Engineers (ASCE) and American Public Works Association (APWA).

SocialITE

SocialITE is a group started under the Alaska Section ITE with the mission of creating another networking medium for transportation professionals. This is accomplished through social gathering held in relaxed, informal settings where members can interact on a more personal and professional level.
