

Institute of Transportation Engineers Washington State Section

Annual Report
January 1, 2009 to December 31, 2009

The Washington State Section of ITE is very pleased to present you with our 2009 Annual Report!

It was an exciting year for the Washington State Section, as members participated in dynamic monthly meetings, took advantage of various social and networking opportunities, received monthly newsletters and updates, and engaged in training opportunities with other professional transportation organizations. We are certainly looking forward to building on the successes from 2009 in the coming year!

* some Life Members are currently being processed but were not included for this tabulation.

The Washington State Section continues to experience moderate growth in terms of its membership.

Finances

Does your section have a Federal Employer Identification Number?

Yes No

If Yes, what is the number? **91 - 1357192**

The financial report for the Washington State Section for 2009 is shown on the following page.

In summary, the Washington State Section continues to be in good financial health. However, expenditures for the Washington State Section Annual Meeting in 2009 greatly exceeded revenues (\$7,370), requiring some reserve funds to be used. The Board has since discussed this item and the lessons learned and has identified specific measures to ensure that a similar shortfall does not occur in 2010.

Was there a change in the Section Bylaws during this reporting period?

Yes No

Fund Balance at Beginning of Reporting Period (01/01/2009)		\$43,428.51
